Likes —

Having a laugh and getting out on adventures be it via bike, kayak or tour bus. Taking the time to create with my bare hands from time-to-time, just like the olden days! Breakfast, Lunch & Dinner.

Work History —

IBM Design Studio

[Visual Designer](#)

Austin, Texas, USA.

2017 | 3 months

Selected out of 2,000+ applicants to be sent to Austin for a 3 month emmersion in design thinking. Here, I was the visual designer on a new, huge-scale IBM product as well as an app for the National Alliance on Mental Health.

Freelance

[Motion & Graphic Designer](#)

Austin | London | New York

2016 - Present

From animation content for an app coming out of London's tech hub, to the branding of East Austin art gallery, to motion graphics for NY based film director's entry to Sight of Sound film & music festival.

The MOD Studio

[Graphic Designer](#)

Austin, Texas, USA.

2015 - 2016 | 12 months

Designing brand identites, websites and all that a digital design agency offers for clients ranging from luxury brands to quirky local start-ups. To this day I still do contract work for The MOD Studio & their clients.

The Fishfinger Creative Agency

[Graphic Design Intern](#)

London UK.

2014 | 7 months

Here I was lead designer on an immense set of Game of Thrones interactive infographics which quickly turned viral gaining over 1,000,000 views to date.
